% Difference Chester Co. with US	179.6%	171.2%	169.6%	163.1%	160.1%	158.0%	N/A	149.4%	141.6%	143.9%

Last Updated: Data accessed September 2024.

Notes:

The data on this table represent the value of a housing unit as reported to the Census Bureau by the unit owner. This value may be different from the assessed value or the most recent sales value, as recorded by the Chester County Assessment Office.

The Census Bureau did not release its standard 2020 ACS 1-Year estimates. Instead, it released 2020 "Experimental Data" estimates at the national and state level, but not the county level.
